

# Checking Your To Dos

Last Modified on 01/13/2022 10:52 am EST

This article will guide you in how to check your **My To Dos**, which are items that need your attention such as onboarding forms for new hires, open enrollment for benefits as an employee, and timesheets and time-off requests pending manager approval.

## START HERE

1. From anywhere in Wurk, click the bell  icon in the upper right corner. This opens an inbox of items needing your attention. From there, you can work with the items and see more details. Your inbox has two tabs, **Items** and **Checklists**. If you have Checklists assigned to you, these contain Items, so the easiest way to work with these is from the Checklists tab.

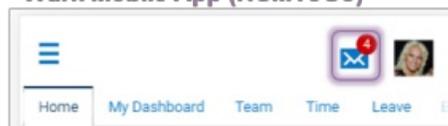

If you are using the mobile app, your To Dos are in your Inbox. Depending on how your company sets up notifications, you may also see an email alerting you about To Do items, which has a link you can click to see your To Dos.
