View Time-Off Balance

Last Modified on 01/07/2022 2:47 pm EST

This section guides you in checking how much time off you have saved up in the latest version of Wurk. System behavior on the mobile application is very similar, so this guide can be used for either.

If your company has enabled this feature, you will see the Balances option under **My Info>My Time** on the main menu. If you do not see this option, then you either do not accrue time off or your company does not use Wurk to track this.

Menu items and on-screen options may vary depending on your configuration and Security Profile.

START HERE

1. After logging into your company Wurk app, on the home page you will see the **Time Statistics** widget. This typically summarizes the time off you have accrued. The example below shows a salaried employee who has a negative

vacation balance at a company that pays for vacation and overtime. Some companies may configure this widget to show other types of time off, such as Sick Time.

2. To see more details about your time off, open the Main Menu (click the "hamburger menu" in the upper left corner and click **My Info>My Time>Balances** (if available).

3. You may see

accrued time off similar to the examples below. You can toggle the display to show your balances in hours

or days.

		VACATION	
available: 25.10	HOURS	AVAILABLE: 104.50	Н
Accrued To	Oct 30, 2018	Accrued To	Jan
