

Your HR

Last Modified on 01/07/2022 12:35 pm EST

This section guides you in working with your HR information in Wurk.

If you're new to Wurk, start with [Getting Started In Wurk](#) topics.

This section guides you in working with your HR information in Wurk, such as your personal information, pay rate, job title(s), assigned cost centers or departments, and hourly versus salary. Topics here are for anyone who uses Wurk as a general employee.

If your company has enabled you to use the mobile app, see:

[Using Wurk Mobile](#)

Your pay is closely linked to your HR information and timesheets in Wurk. For example, your time entries and hours, assigned job title, cost center or department, pay rate, and any benefits or other deductions all roll into your paycheck. To learn more about your HR settings in Wurk, which were entered into the system either when you started your job or your company began using Wurk), see [Related Topics](#).
