

Wurk Compensation Benchmarking

Last Modified on 07/01/2024 1:18 pm EDT

The Würk Compensation Benchmarking tool enables clients to identify strengths and areas for improvement in their compensation packages. This tool will give clients the ability to drill down into different metrics such as:

- Job Titles
- Job Levels
- Region
- State
- Hourly vs. Salary

Use this tool to gain deeper insights and make strategic adjustments to your employee compensations to further align with the cannabis market standards.
